Cardiology Consultants of Philadelphia (CCP) appoints Nicholas Vaganos, M.D., F.A.C.C., as Chief Medical Officer

PHILADELPHIA – March 1, 2017 – Cardiology Consultants of Philadelphia (CCP), America’s largest independent cardiovascular care practice has appointed Nicholas Vaganos, M.D., F.A.C.C., as Chief Medical Officer. As Chief Medical Officer Dr. Vaganos will provide clinical leadership for CCP office locations designed to improve quality of care and better patient outcomes as the practice transitions into value-based medicine.

Dr. Vaganos most recently served CCP as a physician partner in the Chester County branches of the practice.

“Dr. Vaganos has been an integral part of CCP. As a physician, Nick has been a great influence within our practice and we are excited that he will continue to expand on this work in his new role in executive leadership,” said Mark Victor, M.D., F.A.C.C., Chief Executive Officer for the practice. “As CCP continues to move towards a patient-centric healthcare model, Nick will be instrumental in aligning physicians and staff to work together as CCP refines the way it is making communities healthier.”

“As both a physician and an executive leader at CCP, I am committed to providing the best quality of care to the patients. I look forward to finding more meaningful ways the practice can improve the health of the communities we serve,” said Dr. Vaganos. “
